## WORK EXPERIENCE

### Version-X Design Corp.

**Senior Designer** | June 2021 to Present

**Junior Designer** | August 2019 to June 2021

Work independently and collaboratively to ideate, concept, design, and implement consistent design work across a myriad of print and digital media. Create social media imagery, packaging design, brand identity and logos, web design layouts, Photoshop mockups, illustrations, icons, motion graphic ads, and photograph products for clients. Efficiently manage and prioritize multiple clients and projects simultaneously while maintaining strong communication and collaboration with the art director. Consistently take projects from divergent concepting to final execution with a high level of attention to detail. Assist in creative directing and shooting product photography.

### Oregon State University

**Contract Designer** | May 2020 to March 2021

Created promotional materials in print and online that adhered to the strict OSU brand guidelines while appealing to the community. Handled the design needs for three separate OSU Extension offices. Developed marketing materials for Oregon State's Outdoor School program, which provides funding for outdoor schools throughout Oregon. Innovated new design formats to better serve the community and effectively and efficiently communicate the materials.

### FLUX Design Studio

**Design Intern** | March 2018 to Dec. 2018

Collaboratively produced print design, event collateral, experiential design, and branding materials in accordance with OSU's brand guidelines.

### US Bank

**Personal Banker** | Sept. 2013 to Oct. 2015

**Bank Teller II** | Oct. 2015 to Oct 2018

Handled transactions quickly and efficiently while maintaining excellent customer service. Strategically solved client needs using bank products. Met or exceeded sales goals. Helped train new staff.
